Screen Entry	The value of this field is not expected to be negative. Please correct your data or explain. (Error #5230)	Explanation	Yes				
Reason:	The negative balance on line 14 is due to the campuses currently paying their principal balances faster than the University is paying the external debt. These internal payments are held with the University bank. In addition, the University has also issued commercial paper to fund working capital.

Reason:	Negative is related to the implementation of GASB 67/68. This negative in unrestricted net assets is the result of recognizing a change in accounting principle that reduced the net asset balance. The Net Pension Liability recorded the administrative unit continues to cause negative Unrestricted Net Assets and Net Position.
