Overview

Human Resources Overview
Welcome to the IPEDS Human Resources (HR) survey component. This survey collects important information about your institution's faculty and staff.
Recent changes
 New occupational categories replaced the primary function/occupational activity categories previously used in the IPEDS HR survey. The change was required to align the IPEDS HR categories with the 2010 Standard Occupational Classification (SOC) System. For additional information on the IPEDS HR survey and how it relates to the 2010 SOC system, refer to the section of the IPEDS HR instructions called, "Reporting Staff by Occupational Category."

Summary

Human Resources Component Summary (Applicable to Degree-granting institutions and Related Administrative Offices)

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the ExPT and sent to your institution's CEO in November 2013.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or ipedshelp@rti.org.
