12-month Enrollment Overview

The 12-Month Enrollment component collects unduplicated student enrollment counts and instructional activity data for an entire 12-month period. Using the instructional activity data reported, a full-time equivalent (FTE) student enrollment at the undergraduate and graduate level is estimated. Institutions with Doctor's-professional practice students will also report the FTE enrollment of those students. NCES uses the FTE enrollment to produce

12-Month Enrollment Component Summary

IPEDS collects important information   regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data   Center and appear as aggregated data in various Department of   Education reports. Additionally, so   me of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The   purpose of this summary   is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator we   bsite and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the Data Center and sent to your institution's CEO in November 2016.

Please review your data for accuracy. If you ha   ve questions about the da   ta displayed below after reviewing the data reported on   the survey screens,   please contact the IPEDS Help Desk at: 1-877-225-2568 or ipedshelp@rti.org.
