FALL 2013 ENROLLMENT SUMMARY

Executive Summary

This report summarizes the status and trends in fall enrollment at the University of Missouri's four campuses. The report includes information about enrollment, full-time equivalence, new students on campus, undergraduate transfer students, full/part-time status, gender and ethnicity information.

Please note that enrollment totals in this report follow federal and state guidelines, which recommend that students who are classified as "exclusive auditors" are not included in enrollment figures. Consequently, students who are classified as "exclusive auditors" are not included in the campus totals. (Exclusive auditors are defined as students who are enrolled exclusively in courses that are not taken for credit.)

Highlights of the report include:

- The University of Missouri System enrolled a record 75,272 students in Fall 2013, 228 more students than the record 75,044 students that enrolled in Fall 2012. Total enrollment at the University has increased by 21% over the past 10 years (Table 1).
- In Fall 2013, the University of Missouri System enrolled 56,869 undergraduate students (76% of total headcount), 3,179 first professional students (4%), and 15,224 graduate students (20%) (Table 1).
- Over the past 10 years, undergraduate headcount has increased by 21%, first-professional headcount by 17% and graduate headcount by 22% (Table 1).
- Since 2009, total student credit hours and total full-time equivalence have both increased by 9% (Table 2.0).
- Over the past five years, total full-time resident headcount has increased 3% (Table 4.0a) and total full-time non-resident headcount has increased 39% (Table 4.0b).
- Women comprised 52% of total enrollment in Fall 2013. UM-St. Louis had the largest percentage of women (60%) and MO S&T had the highest proportion of men (77%) (Table 5).
- Of all the students of known ethnicity, under-represented minorities (American Indian/Alaskan Native,

Technical Notes

These tables provide counts of students enrolled in the fall of 2013 on-schedule credit courses at the four campuses of the University of Missouri. Five and ten-year trend data are included in the tables for comparison purposes. The data used in this report were generated from the EMSAS Fall Enrollment files, which are submitted to the Missouri Department of Higher Education (MDHE) each fall. Data included in EMSAS files were prepared in the admissions and registration offices at the respective campuses. The data are counts as of the census date at each campus, which is defined as the end of the fourth week of classes for the fall session. The source data are based on the reporting guidelines and definitions of the Missouri Department of Higher Education (MDHE) and the National Center for Educational Statistics (NCES).

Tables in the Table 2 series (2.0-2.4) include counts of on- and off-campus students. The columns titled "On-Campus", according to the MDHE guidelines, include students enrolled geographically on campus and students in the Graduate Engineering (Residence) Centers. All other students are counted in the columns headed "Off-Campus", which include students enrolled in extension courses and students that receive H.S. advanced credit from the Kansas City and St. Louis campuses. The tables of the Table 2 series also include full-time equivalence (FTE) counts.

Tables in the Table 4 series (4.0a-4.4b) include counts of resident and non-resident students by level and course load (full-time vs. part-time).

Definitions of FTE:

Undergraduate FTE = Total Student Credit Hours/15
Graduate FTE = Total Student Credit Hours/12
Dentistry FTE = Headcount
Law FTE = Total Student Credit Hours/15
UMC Medicine FTE = Headcount
UMKC Medicine FTE = Headcount
Optometry FTE = Headcount
Pharmacy FTE = Headcount
Vet Medicine FTE = Headcount

Caveats

First- and second-year students in the Medicine MD program at UMKC are included in the undergraduate counts of the Table 2 and Table 4 series.

Enrollment counts for students in "Off-Schedule" courses, which include intersession courses, short courses, Video Credit courses, and other courses which begin and end on dates other than those for the regular academic semester, are accumulated during the term in which the courses began and are reported the semester following their end date.
