2. Copies or facsimiles of the original receipt.
3. A packing slip or other documentation received from the merchant.
4. A screen-print or order confirmation e-mail, when making Internet purchases, or a copy of an order-form that was mailed to a merchant to request an item.

If a receipt has been lost, the Cardholder should contact the merchant and request that a copy be provided.

If the merchant is unable to produce a duplicate receipt, the Cardholder should contact JPMorgan Customer Service and request a duplicate receipt (call 800-270-7760). This process takes 30-60 calendar days. A \$5 fee may be charged. If JPMorgan is unable to obtain a duplicate, they will send a letter to the Cardholder indicating they were unable to provide a copy. The letter, along with a completed Replacement Receipt Form, becomes the receipt for that transaction. The letter from JPMorgan is required for any purchase greater than \$5.
